

National guidelines - Norway

In order to comply with national requirements, we are implementing the following further precautionary measures:

Travel	<p>Employees must only enter RelyOn Nutec facilities returning from affected areas defined by FHI-Folkehelseinstituttet if:</p> <ol style="list-style-type: none"> 1. The employee has been in 10 days quarantine upon return. 2. On the 7th day of return undergo a PCR test and the result is negative.
Quarantine	<p>Foreigners who have been fully vaccinated or who have undergone covid-19 in the last 6 months, and who can document this with a corona certificate with a QR code that can be verified by the Norwegian authorities can travel into Norway without quarantine.</p>
Social distancing	<p>We are following the national guidelines keeping social distance of 1 m. Where 1-meter social distancing can't be adhered, facemasks / -shields are required.</p>
Food hygiene	<p>Served with the highest focus on hygiene.</p>
Class sizes	<p>Delegates in classes to accommodate the 1 metres social distance and if required provide theoretical teaching through webinars.</p>
Restrictions on courses/ methodology/ equipment	<p>Practical elements are transferred into individual exercises as much as possible or/and demonstrations.</p> <p>Training (theoretical and practical) is designed to accommodate 1m social distancing. Where this isn't possible personal protection is mandatory.</p>
Cleaning of equipment	<p>We are complying with the national guidelines and the guidelines from the manufacture to ensure all equipment are sanitised and free of pathogens.</p>
