

National guidelines - Denmark

In order to comply with national requirements, we are implementing the following further precautionary measures:

Travel	The updated requirements are found: https://coronasmitte.dk/raad-og-regler/emner/rejser-til-eller-via-danmark/lovkrav-ved-indrejse
Quarantine	The updated requirements are found: https://coronasmitte.dk/raad-og-regler/emner/rejser-til-eller-via-danmark/lovkrav-ved-indrejse
Social distancing	We are following the national guidelines keeping social distance of 1 m. Where 1-meter social distancing can't be adhered, facemasks / -shields are required.
Food hygiene	Served with the highest focus on hygiene.
Class sizes	Class sizes adhere to the 1 m social distance requirement within the relevant room, and if required provide theoretical teaching through webinars.
Restrictions on courses/ methodology/ equipment	Practical elements are transferred into individual exercises as much as possible or/and demonstrations. Training (theoretical and practical) is designed to accommodate 1m social distancing. Where this isn't possible personal protection is mandatory.
Cleaning of equipment	We are complying with the national guidelines and the guidelines from the manufacture to ensure all equipment are sanitised and free of pathogens.
